

# Daniel Ramirez, MBA

Connecting LEO with Startups, Hi-Tech companies and best-in-class Research in Silicon Valley. I have more than 10 years of experience in different sectors -Consulting, Banking, Petroleum, Insurance, Consumer Goods, Heath Care and Internet- and strong international exposure (LATAM, North America, Europe and Middle East). I learn fast and enjoy interacting with people in problem solving situations with high uncertainty. I am constantly interested in helping to solve business problems as well as mixing practices from different industries to solve innovation challenges.
